## **District III Director**

**Jill Hively, RD, LDN**

*Child Nutrition Supervisor*

*Wake County Schools*

My name is Jill Hively and I am running for District III Director. Upon graduating from Marshall University, I relocated to Raleigh to complete a Dietetic Internship at Meredith College. I began working in Child Nutrition five years ago as the Regional Dietitian with Sodexo sharing my time between Chapel Hill-Carrboro City Schools and Asheboro City Schools. In 2006, I joined the team in Wake County as the Supervisor of Nutrition and Training. In addition to being active in my local SNA Chapters, I am also serving as Chair of the Nutrition Committee at the state level. If elected District II Director, I will work to support each member of the District to the best of my ability.
