I enjoy working with children and enjoy serving and communicating with them daily. I want to work toward more funding and education opportunities for our future leaders. I look forward to working with SNA-NC and making the future brighter for all children to succeed.

District V Director Carolyn (Faye) Summey

*Child Nutrition Manager
Asheboro City Schools*

My name is Carolyn (Faye) Summey and I am running for District V Director of SNA-NC. I have been in Child Nutrition for 20 years with the Asheboro City Schools. I have been a cafeteria manager for 10 years and a member of SNA for 10 years with a Level III Certification for the past 5 years.

On our local level, I have held the office of Vice President for two years, President for two years and my current position as Chapter Advisor for three years.

I have attended State Conferences for ten years and Mid-Chapter Leadership and Chapter Leadership for five years.

If elected District V Director, I will support each member of the District and help the District with the many changes that we will be facing in the future to the best of my ability. I urge each and every one to vote, serve in any capacity available and support SNA-NC. We must all work to meet the needs of our customers and students daily.
