

Secretary

Carolyn Dodson

*Child Nutrition Manager
Stokes County Schools*

My name is Carolyn Dodson and I am running for Secretary of SNA-NC. I have been working with Stokes County Schools Child Nutrition Program for the past ten years. I have been a member of SNA-NC all of these ten years. I am certified and I am a Star Club Member. I have served as our Chapter President Elect for two years and as our President for the last two years. I have attended all of the State Conferences and I have attended one of the National Conferences. The level of instruction and ideas that we are given at these conferences will never cease to amaze me. I feel that we should always do everything we can to make a difference in the lives of the children we serve.

If elected, I will do my very best and work hard for each member of our Association. I pledge to help each of us grow in knowledge and understanding, to better serve the children of North Carolina. I ask you now to vote and vote for me. Your vote does make a difference. Thank you for all you do for the children of North Carolina!

Alison Francis, SNS

*Child Nutrition Director
Stanly County Schools*

My name is Alison Francis and I am running for Secretary. I am a graduate of Western Carolina University. I began my Child Nutrition career ten years ago as a Cafeteria Manager for Cabarrus County Schools. After two years as a manager I was promoted to CN Supervisor. In 2003, I became the Director of Child Nutrition for Stanly County Schools. I have been an active member of the School Nutrition Association since 1999. I became certified in 2000. In 2006, I received certification as a School Nutrition Specialist (SNS).

I have served SNA-NC as a member of the Marketing Committee, Endowment Committee, Endowment Committee Chair and now as a member of the Industry Committee. I have served on the Steering Committee as Co-Chair and Chair of Registration and Chair of the Silent Auction. I served 4 years on the SNA of NC Executive Board as Endowment Committee Chair.

In addition to attending our NC Conference and LAC, I have had the opportunity to attend our National Conference, LAC, and Industry Seminar. Being a part of our association is an important part of my career in Child Nutrition. I look forward to the possibility of serving your Association as Secretary.
