Maintaining Your Certificate

- Your SNA Certificate is valid for one year. Three months before your certificate is due to expire, SNA will mail you a renewal form. It is your responsibility to renew on time to avoid your certificate being cancelled.
- You must complete the required number of CEUs during your annual period.
- Each individual is responsible for maintaining and keeping records of CEUs earned.
- SNA will check proof of CEUs via a random audit. Only those chosen for the audit will be required to send in documentation of CEUs earned. *If you are selected for an audit, notification to send CEU documentation to SNA will be included in your annual renewal notice.*
- Submit your annual renewal fee with the renewal form to SNA at least four weeks prior to expiring.
- After SNA reviews and approves your certificate renewal, you will receive notification of approval. *Please allow 4–6 weeks for your renewal to be processed.*
- To show your school district that you obtained your certificate, you can print a copy from the My Account section of www.schoolnutrition.org.

- If your renewal form is incomplete, you will receive a letter explaining what is required to maintain your certificate.
- In order to pay the member renewal rate, your SNA membership status must be active during your entire certificate period. If your membership status was inactive at any point, you will be required to pay the non-member rate.

Certificate Program Reinstatement

- Individuals who have lapsed can reinstate their certificate within 90 days of expiring.
- If a certificate expires, SNA will mail a reinstatement notice with instructions.
- In addition to a renewal fee, a reinstatement fee must be paid to re-activate a lapsed certificate:
