OVERVIEW

School District (or State Agency) Membership (SDM) is an alternative to standard individual membership and it's designed to meet the needs of the changing workforce by enabling school districts to keep school nutrition staff informed and educated about feeding students. The goal of SDM is to make it easier for school districts to pay for memberships and allow their employees to enjoy the many benefits of SNA membership.

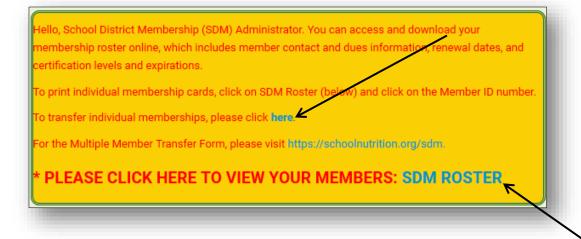

An SDM is a membership that is purchased by a school district in the name of an individual. The membership is transferable to another employee in the same membership category, if the original assignee leaves the district. SDM is not one membership for an entire district, but separate memberships that are transferrable. SDMs receive all the same benefits as individual SNA members and there is no difference in the dues rate. SDM is not available for the **Student**, **Retired** and **Affiliate** membership categories. SDM can be used for new and renewing memberships and SNA will work with districts to align existing expiration dates so that all expire at the same time.

SDM ADMINISTRATOR:

All SDMs must designate an administrator. The administrator serves as the main contact and will be sent the annual SDM renewal notice (via email). The administrator is also authorized to transfers memberships. To protect the privacy of member information, SNA will provide the administrator with guidelines on how member data can be used.

MY ACCOUNT:

The SDM administrator can log into <u>My Account</u> on the SNA website to view their current roster - which includes member contact info, dues information, renewal dates, and certificate levels and expiration dates. In addition, SDM Transfer Forms (for multiple and individual transfers) can be accessed in My Account. They are also available at: <u>www.schoolnutrition.org/sdm</u>.

'5 & 1 FREE' INCENTIVE:

To encourage participation in the SDM Program, we are happy to offer an incentive for free memberships that are <u>new</u> SDMs. For every 5 new SDMs in the School Nutrition Employee (SNE) or School Nutrition Manager (SNM) membership category, the district receives 1 free new membership in the same (SNE or SNM) category. **The free membership includes SNA National and state dues, as well as the processing fee**.

GETTING STARTED

To get started, you will need to fill out the *SDM Multiple Applicants* spreadsheet that can be found at: <u>www.schoolnutrition.org/sdm</u>. For a copy of your school district's or state agency's existing members, please call SNA at: (703) 824-3019 or email us at: <u>sdm@schoolnutrition.org</u>.

The following section provides helpful information for filling out the *SDM Multiple Applicants* spreadsheet:

Columns A-L – General Contact Information:

If any of your members have an existing SNA member ID, please include it in the first column (ID). If you are unsure, place a question mark. If the individual is a new member, write 'New' next to their name in the first column (ID). Please complete the name, school district, school name, address, phone and email fields – including as much information as possible. If someone does not have an email address, you may leave this field blank. If you would like your member's preferred mailing address to be their home address (vs. the business address), please include their home address in column J. Otherwise, you can leave this column blank.

1	Α	В

Duplicate or shared email addresses cannot be used for security purposes. A unique and valid email address also enables the member to be notified once their membership has been processed.

Column N - Referred By:

For <u>new</u> members, you can indicate the SNA member that referred them in this column. Please include the first and last name and if possible, their SNA member ID. The referrer can earn <u>SNA</u> <u>Star Club</u> points and also be eligible to win prizes for membership drives, etc.

Column O - Chapter:

If you know the chapter, please indicate it in this column, otherwise, please write in your state abbreviation (i.e. Maryland = MD).

FAQ

I want to make ONE annual payment for all memberships. Can I align all memberships to the have the same expiration date?

Yes, SNA is happy to work with school districts or state agencies to align memberships. There are a few important things to consider when making the decision to align memberships:

- 1. To align all memberships to a common expiration date all memberships need to be paid/renewed at the same time.
- 2. For renewals, if one or more of the memberships is already valid beyond the preferred alignment date, there would be a one-time loss of membership time with the alignment. SNA cannot prorate membership dues. <u>Example:</u> You have 5 SDMs and want to align all memberships to expire on March 31st annually, but two of your memberships currently expire on June 30th. By renewing all 5 memberships in March, SNA can align all to expire in March. The two June memberships will lose 3 months of membership time with the alignment.
- SDMs DO NOT have to be aligned in order to make one annual renewal payment. This is one of the benefits of having School District Membership (SDM). <u>Example</u>: You have 5 SDMs with varying expiration dates – 2 in February and 3 in March. You can renew all 5 memberships in February and all expiration dates will be extended for another year. There is no loss of membership time.

I'm with a State Agency. Is there a State Agency Membership Option?

Yes, State Agency Membership and School District Membership are essentially the same. All state agency members must select the SDS membership category and corresponding dues. **The '5 and 1 Free' SDM membership incentive does not apply to state agency members.**

What membership categories cannot be SDM?

The following membership categories are not eligible for School District Membership:

- > Student
- Retired
- Affiliate Employee
- Affiliate Retired

Do I need to include an email address for each member?

Yes, having a unique and valid email address on record ensures the best access to all SNA member benefits, including high-quality educational webinars and other learning resources. Shared or duplicate email address cannot be used for security purposes. *We certainly understand that not everyone has an email address. In this case, you can leave that field blank.*

If I transfer a membership, will the individual that has been transferred membership be eligible to vote in the SNA election?

In order to vote in the SNA election (held every February), each member must have a unique and valid email address in their SNA record and they must have had active membership as of **November 30th** of the previous year. Members will not be able to vote if they became a member, reinstated their membership or were transferred a membership after November 30th.

Is there a limit to how many members I can have in my SDM?

There is **no limit** to the number of members that can be SDM.

Does everyone in my school district (or state agency) have to be SDM?

No. A school district (or state agency) can decide how many individuals to include in the SDM. There are no *all or nothing* restrictions for this membership option.

How do I view my SDM roster?

The SDM administrator can view their SDM roster by logging into <u>My Account</u>. From the account homepage, click on **SDM ROSTER**.

- You can only transfer memberships of the same membership category (i.e. you can only transfer a School Nutrition Employee (SNE) membership to another School Nutrition Employee (SNE)).
- The SDM administrator that you indicate on your transfer form must match the SDM administrator on the SDM roster in SNA's database.
- The individual(s) you are transferring membership from must be active SNA members (not in grace or expired) and current School District (or State Agency) Members (SDM).

When I transfer a membership, does the member ID transfer too?

No. When you transfer a membership, the individual who is being transferred out keeps their ID number. The individual who is being transferred in either gets a new ID number or keeps their existing ID number (if they are a current/previous SNA member).

Why do I need to include the forwarding contact information for the person I am transferring out?

Forwarding contact information (such as home address, phone and/or email) is important so that SNA can stay in touch with the person who is transferred out, especially if he/she is credentialed or has a SNA certificate. Some members that are transferred out of an SDM chose to continue SNA membership on their own.

Who is eligible for the '5 and 1 Free' incentive?

Only School Nutrition Employees (SNE) and School Nutrition Managers (SNM) are eligible for the '5 and 1 Free' incentive and they all must be <u>new</u> SNA members.

For the '5 and 1 Free' incentive, do I still need to pay state dues? Processing Fee?

For the '5 and 1 Free' incentive, both national and state dues as well as the processing fee are free. You do not owe anything for the free membership.

Can I redeem my free membership at a later date?

No, the free membership, per the '5 and 1 Free' incentive, must be redeemed at the same time that you sign up 5 new members. You cannot redeem it at a later date.

Is there a school district (or state agency) option for the certificate program?

No, there is no school district (or state agency) option for the certificate option. However, SDM administrators can log into <u>My Account</u> and download their SDM roster, which includes current certificate levels, expiration dates and renewal fees. This roster is a great resource for tracking and keeping up with certificate renewals.

What is the role of the SDM administrator?

The SDM administrator (or SDM admin) is the individual who will be the primary contact for renewals, transfers and any changes to the SDM membership roster. Renewals will be emailed to the SDM administrator once or twice a year via email. There can only be <u>one</u> person designated as the SDM administrator and this individual does not need to be a SNA member.

How do I add multiple members to my existing SDM?

To add 3 or more members to an existing SDM, please download the *SDM Multiple Applicants* spreadsheet located at: <u>www.schoolnutrition.org/sdm</u>. Complete the steps previously detailed on pages 3-5. Make sure to include the name of the existing SDM administrator and if possible, his/her member ID.

Can I have an SDM with only one member?

Yes – It is possible to have an SDM with only 1 member. This affords the school district (or state agency) the ability to transfer the membership if needed. To set up an SDM with 1 member, please complete the steps detailed on page 17.

Can a school district (or state agency) have more than one SDM administrator?

Only one SDM administrator is permitted for each school district or state agency.

Can the SNA magazines and membership cards be delivered to the members' home address?

Yes – If desired, the preferred mailing address can be your members' home or business. However, you cannot have the membership card go to one address and the magazine go to another. They must both be sent to the same address. To change or update the preferred mailing address, individual members can login to <u>My Account</u> on the SNA website or SDM administrators can contact SNA at <u>sdm@schoolnutrition.org</u>.

I would like to add several members to my SDM (new and existing SNA members); however, some of their memberships have just been renewed. Do we need to pay for everyone now?

You can add members to an SDM even if they are not up for renewal. If you are setting up a new SDM, you only need to pay for new memberships and/or memberships that are expired or coming up for renewal. If you are unsure about a member's expiration date, please email <u>sdm@schoolnutrition.org</u> or call (703) 824-3000.

I would like to learn more about School District (or State Agency) Membership (SDM). What other resources are available?

You can find more information about SDM on the SNA website at www.schoolnutrition.org/sdm
